Dear Parent: Camp is an exciting and stretching time for kids with both fun and tough moments. We recognize your primary role as their parent and welcome your questions and comments about their camp experience. The camp phone is for emergency use and camp business only. Other calls are at the discretion of the Camp Director. To maintain a positive program, campers are expected to attend camp sessions, observe camp guidelines, and cooperate with camp staff. A continuing problem in these areas would result in the camper being sent home.

If you have any questions regarding your child's registration, please call 773-6815. We value your input.  
 Sincerely,  
 Jerry Dennill, Camp Director

West Bank Bible Camp

Local Summer Camps for all ages

# 2009

# The Great Outdoors

World wide web, cell phones, virtual games and hundreds of satellite TV channels keep kids inside and inactive. Kids discover a whole new side of life in the Great Outdoors. The surprising beauty of the Swift Current Creek Valley reflects the wonder of our Creator's genius, power and care...out in the fresh air, crayfish, frogs and minnows can be caught, there are flowers to find, birds to see, rosetta rocks to hunt out, and room to run...

# Skill Time

Campers can conquer new challenges in a positive encouraging environment. Camp's a new place with freedom to try something new. Our aim is to help kids succeed in the challenges that face them at camp: like staying away from home for a week or having courage to scale the climbing wall. Our kids' camps have 3 skill times a day. See registration form for the list of activities available at each camp. Visit our website at [www.westbankbiblecamp.com](http://www.westbankbiblecamp.com)

# Paintball

Paintball is an exciting skill for both Young Teen age (12-14) and Youth age (15-18) Camps. There is only space for 24 in this skill so register early. Please be aware of the extra \$35.00 registration fee for this skill.

# Cabin Time

With kids their own age, campers participate in activities led by a "cabin leader." All of our cabin leaders have previous experience and have attended a week long training session each year. The cabin has a daily study time where they hear and discuss what God, in His Love, has communicated to humankind through His Son, Jesus Christ.

# Chapel Time

Morning and evening, kids and staff gather to sing together and hear from our camp speaker. The goal is that together we may be open to see God and hear from Him as He chooses to show Himself to us.

# Meals

The campers have supper on Sunday through to supper on Friday. There are three balanced yummy meals a day as well as Tuck Time and snack before bed. At five feedings daily, no one should go hungry!!

# Tuck Time

Every afternoon campers can purchase treats from the tuckshop from money left "on account" by their parents. We recommend a moderate amount of spending money each day that will be regulated by the camp. Any money not spent throughout the week will be returned to the parents.

# Emergency Measures

During staff training, emergency scenarios are discussed and emergency measures practiced. Our Director and our Lifeguards have First Aid and CPR training. First aid supplies are managed by a designated staff member. All medications require parental consent on a waiver form at registration.

# Registration Tax Deduction

All of West Bank's summer camps qualify under the new Federal \$500 Child Tax Credit program. 75% of all registrations are allowed to be claimed. We will issue a receipt for this purpose. Also please note that all registration costs DO NOT include GST.

# Valuables

Please leave precious or expensive items/clothing at home. West Bank Bible Camp cannot be responsible for articles lost, stolen, or damaged. Our goal is a different atmosphere for kids, and consequently ask that personal stereos, cell phones, and electronics be left at home.
